Steve,

Ok yeah I can go back and add the dates they came on site. I'll have to research the pieces that came over from the Gold king or Red and Bonita previously. I'm done with the draft for yesterday I can email if you like. I'm going up the road soon. I'll look see what I can find out this afternoon and add to the draft.

Let me know if you have anything else for me.

Thanks

Carla

Carla,

One thing that I would like to have added to Comments is the equipment rental periods (Start and End dates – assuming one month)

As far as the equipment onsite, I need to ask Matt about the two dozers – not sure why the second came in when it did.

I know a draft went out for yesterday, but I do not find it on my email. We can get that tomorrow unless you want to email it today.

Thanks,

Steve
